

STAFF HIGHLIGHTS - SUMMER 2021

Our continued efforts with developing and empowering female professionals don't stop with the members of our firm but expand through the community. We were proud to support and connect professional women in business at our annual networking event at the [RubberDucks](#) (pictured above). We connected individuals from various backgrounds and professions, including business, the arts, nonprofit, environmental, culinary, leadership, finance, marketing and legal. Another "suite" night at Canal Park!
