

OHIO 2024 SALES TAX HOLIDAY: EXPANDED DATES AND HIGHER PRICE LIMITS ON TAX-FREE SHOPPING

The Ohio Department of Taxation [announced](#) that the 2024 Sales Tax Holiday will begin on Tuesday, July 30, and run through Thursday, August 8, ending at 11:59 pm. This extension from the usual Friday through Sunday event means more days to shop tax-free. Additionally, the holiday will now include more items and have a higher price limit.

During the 2024 sales tax holiday, you can purchase goods priced at \$500 or less without paying sales tax. These purchases can be made both in-person or online. However, the following items are not included:

- watercraft
- motor vehicles
- alcoholic beverages
- tobacco
- vapor products
- anything containing marijuana

For example, you can purchase two shirts, five pairs of pants, one coat and one pair of shoes. As long as each item is \$500 or less, the entire purchase would be

tax-free. If your qualified total is \$450, you could save over \$30 in taxes.

This year's expanded holiday offers more opportunities for savings on a wider range of items. In previous years, the tax-free holiday only applied to:

- clothing items priced at \$75 or less;
- school supplies priced at \$20 or less; and
- school instructional material priced at \$20 or less.
