

ANDREW ZINGER JOINS BMF AS DIRECTOR IN TRANSACTION ADVISORY SERVICES

AKRON, OH – March 24, 2026 – Bober Markey Fedorovich (BMF, www.bmf.cpa), one of the nation's Top 200 accounting and advisory firms as reported by *Inside Public Accounting (IPA)*, is pleased to announce that [Andrew Zinger](#) has joined the firm as Director in its Transaction Advisory Services practice.

With more than 20 years of experience in transaction advisory, corporate finance, and financial leadership, Andrew provides buy-side and sell-side financial due diligence services to a wide range of investors, including private equity groups, as well as private and public companies. His expertise includes quality of earnings analyses, working capital adjustment mechanisms, carve-outs, financial projection and forecast analyses, and broader M&A advisory support.

Andrew's background spans both advisory and executive leadership roles. Prior to joining BMF, he served as an independent consultant, advising clients on financial due diligence, M&A transactions, and fractional CFO services. He also held the role of Executive Director at a large, publicly traded pharmaceutical development company, serving as a divisional CFO and finance partner to the executive leadership team, focusing on strategic planning, financial planning and analysis, and budget and forecast development.

Earlier in his career, Andrew was a Director in PwC's Transaction Services group, where he led financial due diligence engagements for acquisitions and

divestitures across a global client base, with transaction values ranging from \$10 million to \$4 billion. He began his career in public accounting as an auditor with EY.

His practical, client-focused approach enhances our ability to support clients navigating complex transactions in today's evolving market.

- Steve Swann, Partner & Transaction Advisory Services Practice Leader

"Andrew's extensive experience in transaction advisory makes him an excellent addition to our TAS practice," said [Steve Swann](#), Partner and Practice Leader of BMF's Transaction Advisory Services group. "His practical, client-focused approach enhances our ability to support clients navigating complex transactions in today's evolving market."

Andrew earned his Bachelor of Science in Finance and Accounting from Miami University in Oxford, Ohio.
